

Haffner Murat Ltd
Innovation and Technology for manufacturing
PVCu and Aluminium Windows

WSA-4V Wegoma 4 Head Verti-Quad Welder

Standard Features

- **User-friendly insertion position**
- **Heated welding seam restrictions 0.2-2mm**
- **Pneumatic profile catchment**
- **PLC control system**
- **Electronic function monitoring**
- **Quick exchange device for welding sheets**
- **Automatic removal of work-pieces**

Technical Data

- **Voltage 415v, 3ph. 20Amps**
- **Power 15kW**
- **Max welding temp 300°**
- **Temp welding seam limitations 65°**
- **Min profile height 40mm**
- **Max profile height 200mm**
- **Air connection 6-8 bar**
- **Weight 3100kg**
